

CASE Summer Leadership Institute  
“Collaborative Leadership in Times of Change”

Greetings,

It is my pleasure to welcome you to the Sixteenth Annual Summer CASE Leadership Institute! Our Board has worked diligently to offer you a comprehensive conference that offers an array of information and opportunities for you to learn, to grow professionally and to network.

We are appreciative of our conference guest speakers and our conference partners at the Florida Department of Education Bureau of Exceptional Education Student Services, Institute of Small and Rural Districts and Florida Diagnostic Learning Resource Systems who have joined us to provide a memorable professional learning experience.

This year’s theme, *Collaborative Leadership in Times of Change*, supports the commitment and mission of the Florida Council of Administrators of Special Education to embrace proactive leadership by influencing policies and practices to improve the quality of education for students with disabilities.

We appreciate the support our vendor partners have provided and ask that you visit them. They offer valuable educational tools to meet the needs of our students with disabilities that will help prepare them to become learners of the 21<sup>st</sup> century.

If you are not a member of CEC and CASE, we encourage you to join and receive the benefits of membership listed on the brochure in your conference notebook.

In closing, we look forward to working with each of you as Florida CASE promotes Collaborative Leadership in Times of Change.

Best Regards,

Dr. Rosalind A. Hall  
President, Florida CASE
